

# Are you successful in bidding for new projects?

*We can help you find and win new publicly tendered business opportunities*

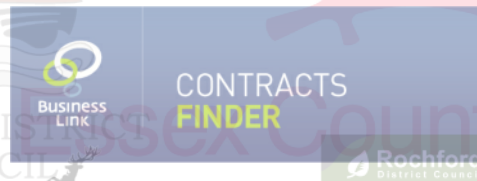

Handmade Marketing specialises in identifying construction contracts and helping clients to prepare and submit winning bids.

Our service includes:

- Search of all construction contract sources to identify opportunities relevant to your business
- Registering your interest and obtaining pre-qualification/tender documentation
- Preparation and submission of professional PQQ/ITT content and presentation media
- Coaching in interview techniques and/or delivering presentations on your behalf
- Progress tracking and performance evaluation

**Please contact us to arrange a meeting to discuss.**
